Analyze time signatures

Complete the table for each time signature: **simple or compound**, number of **beats**, type of **subdivision**, and the **beat**, **subdivision** and **measure** units.

Remember: in compound time signatures the numerator is divided by three to get the beats, and the beat unit is dotted. Units are drawn as notes.

Name: Class: Date:

	TIME SIG.	TYPE	BEATS	SUBDIVISION	BEAT UNIT	SUBDIV. UNIT	MEASURE UNIT
1	2/4						
2	3/4						
3	4/4						
4	2/2						
5	3/2						
6	6/8						
7	9/8						
8	12/8						
9	3/8						
10	6/4						
11	2/8						
12	4/8						
13	2/1						
14	9/4						
15	12/4						
16	3/16						
17	4/16						
18	6/16						
19	9/16						
20	12/16
