Identify the time signature ANSWERS

Each measure is written without its time signature. Write in the box the time signature that belongs to it (numerator over denominator). Some can be written in more than one way: in that case, either one is correct.

1. Simple time signatures (2/4, 3/4, 4/4)

1

2/4 / 4/8

2

4/4 / 2/2

3

2/4 / 4/8

4

2/4 / 4/8

5

3/4

6

3/4

2. Compound time signatures (6/8, 9/8, 12/8)

7

6/8

8

12/8

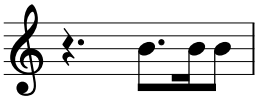

9

3/4 / 6/8

10

6/8

11

9/8

12

9/8

3. Mixed

13

2/4 / 4/8

14

9/8

15

2/4 / 4/8

16

3/4 / 6/8

17

3/4 / 6/8

18

4/4 / 2/2
