Write Dorian scales with a key signature ANSWERS

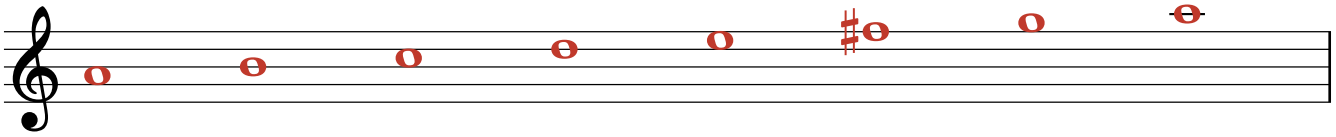

First write the key signature, then the scale, ascending from the tonic. Write only the accidentals that are not in the key signature. All use the key signature of their minor key.

From easier to harder: key signatures with few accidentals in treble clef, then more accidentals and the bass clef.

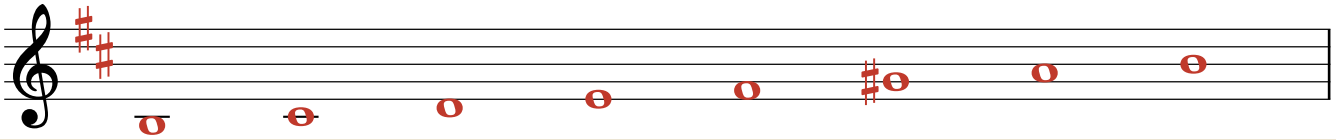

1 **G Dorian**

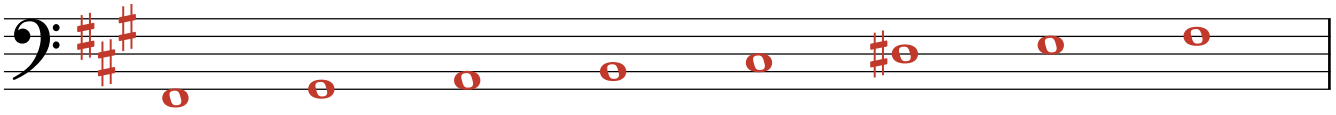

2 **A Dorian**

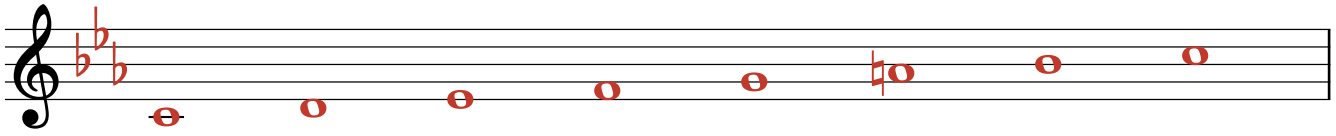

3 **B Dorian**

4 **F♯ Dorian**

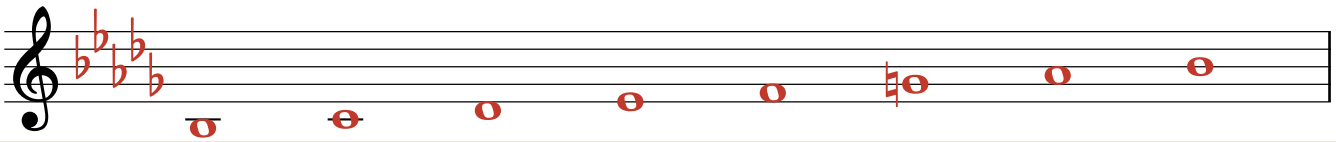

5 **C Dorian**

6 **C♯ Dorian**

7 **B♭ Dorian**

8 **D♯ Dorian**
